Joseph,

I'm needing your assistance with setting up UPS- Campus Ship for the R8 Incident Command Post located in Durango CO. Currently Greg Crable is the Logistics Section Chief in Durango, he can be reached at 913-486-3108 or you may also contact me if you have questions.

The Address for Campus Ship is 135 Burnett Drive, Durango CO 81301. Please set-up a 'DURANGO LSC' account for crable.gregory@epa.gov. Every two week the LSC will change so they will have to notify you to update the USER each cycle. Sorry there isn't incident specific email accounts so this will have to be an ongoing thing throughout the duration on the response.

Thank you
